

The Many Faces of Addiction 2010: A Symposium Presented by Bellwood Health Services

September 23 & 24, 2010

Location: Ontario Science Centre

Bellwood invites you to attend our leading-edge addiction symposium where we will offer you an unique opportunity for quality addiction education, training and most importantly - tools and emerging practices for healthcare and corporate professionals.

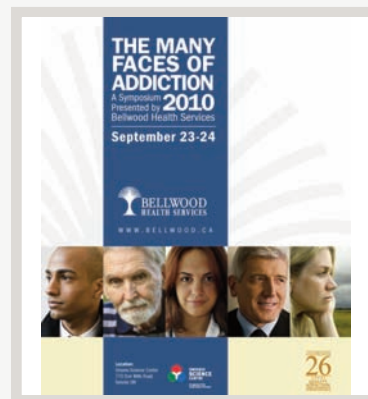

Learn about relapse prevention strategies, techniques based on recent neurobiological & neuropsychological research that can be instrumental in recovery; the cost of addiction in the workplace; the savings that can be realized by intervening on an addicted employee and supporting them in treatment.

Speakers and topics include:

- **Dr. Cardwell Nuckols:** The Art & Science of Healing; Treating the Multi-System, Multi-Problem Client: Matching Client Need to Modality
- **Terry Evanshen:** Seize Each Day
- **LCol Stephane Grenier:** A New Way to Look at an Old Problem
- **Rick Csiernik:** Oxycontin, Percodan, Methadone & All Those Nasty Opioids That Cause Havoc in the Workplace: Or Do They?
- **Linda Bell:** The Alarming Costs of Workplace Addiction: Are Your Employees Drinking Away Your Profits?
- **Dr. Steven Melemis:** Relapse Prevention Strategies: The Five Rules of Recovery
- **Adrienne Campbell, LLP & Shane Smith, LLP from Miller Thompson LLP:** Company & Employee Rights: A Difficult Balancing Act
- **Dr. Shelley McMain:** Dialectical Behaviour Therapy for the Treatment of Concurrent Substance Disorders and Borderline Personality Disorder
- **Rhona Charney:** Co-Dependency in the Workplace
- **Sue Minns:** I Choose the Red Shoes
