

Addiction Services for York Region

Executive Director

Addiction Services for York Region (ASYR) is looking to hire an Executive Director who can help us set an exciting vision and direction for the future. We are a non-profit agency that supports change in the lives of individuals, their families and communities related to substance use and gambling. We serve the Region of York, an area of more than one million people.

The Job

We are seeking a leader who can provide direction and support to 37 professional and administrative staff. We are located in five offices across the Region. Our primary funder is the Central Local Health Integration Network (Ontario Ministry of Health and Long Term Care). We provide assessment and treatment for adults, youth, families and couples. The Executive Director's job is to carry out the vision and mission as determined by our Board of Directors. This task requires clear communication skills to motivate our staff, strong values to serving families and individuals with addiction concerns and the capacity to be involved in service partnerships among our community of providers.

Qualifications

- A post-graduate degree or equivalent in a related field of study
- A minimum of five years experience in a senior management position
- Experience in a not-for-profit environment with a strong understanding of the addictions field
- Working knowledge of managing budgets within a publicly funded environment
- Experience in working with and for a Board of Directors
- Healthy understanding of and values related to inclusivity and diversity
- Strong leadership skills
- Ability to work effectively with community partners, funders and other stakeholders
