Membership Benefits

Experience: ADDICTIONS ONTARIO members have always come together to discuss issues and find solutions to challenges, which have had a significant impact on the well being of the citizens of Ontario. Membership allows your voice to be heard.

Networking: One of the premier benefits most often expressed by our members is the informal networking opportunities. The ability to contact another member for advice, or to simply voice a concern is a valuable benefit.

Information: ADDICTIONS ONTARIO takes pride in its ability to disseminate pertinent information to its members in a timely fashion. The organization utilizes the most advanced technologies to do this.

Insurance: We offer Employee Health Benefits, Officers Liability, and Employee Home and Auto Insurance.

Government Liaison and Advocacy: ADDICTIONS ONTARIO maintains contact with all levels of both the bureaucratic and political sides of government. We not only act as advisors to government, we advocate both generally and specifically on behalf of our members.

Training Seminars and Conferences: ADDICTIONS ONTARIO conducts a well-attended annual conference. In addition, training seminars and workshops are occasionally conducted. Membership provides reduced fees.

Gain Advantage: This affinity program helps members save money on office supplies and much more!
